

**Wilderness Village Resort**

**MEMBER REWARD PROGRAM**

**ATTENTION MEMBERS!**

The Board of Directors has approved the return of the Member Reward Program for a limited time. This program rewards Members for sponsoring their friends and families who purchase a new membership themselves.

**Here is how it works:**

1. The sponsoring Member will contact the Resort and have their friend or family member's name placed on our sponsorship list. A form will be started registering that person's name and who has introduced them to the Resort.
2. When the sponsored friend or family member purchases the new membership, the sponsorship form will be passed along to our accounting department who in turn will credit the sponsoring Member's dues for the next calendar year. The new Member will also have their dues waived for the first year. NOTE: The sponsoring member must be a Member in good standing to participate in the Member Reward Program.
3. This program is offered for a limited time only and may be discontinued once we have reached our maximum number of new membership sales for any particular period. Updates will be advertised in upcoming weekly newsletters.

**This program will come in to effect as of June 1, 2009 and cannot be backdated or used with other promotions.**

For more information, please contact the office.
